

TacTiles™ Layout Grid

DIRECTIONS

Print out the TacTiles Layout Grid and the TacTiles Shapes.

Cut out the TacTile Shapes.

Place them on the Grid and move them around to create your layout.

Send a picture of the layout to sales@eldowalls.com and receive a price quote for your wall.

1 square = 1 foot sq

With this sheet, you can layout a 8'6" high x 14' wide wall.

The TacTile Shapes are scaled to fit this grid.
